

Good Afternoon Parents,

It has been a busy morning.

Here are the updates:

- First Grade does not need to come to school to pick up anything today.
- The first drop off time for returning homework items will be Tuesday, March 31. I would like you to return the Math worksheets marked practice and homework from each lesson and the reading worksheets.
  - At that time, March 31, you will be able to pick up the next round of assignments and activities.
- Your child may not have completed all of the Math assignments by that 3/31 time. If they haven't that is fine. I gave you enough Math and Reading to take you to the initial April date. You will be able to turn in any unfinished assignments at the April 14th drop off and pick up date.
  - For Music, Art and Phy-Ed, please refer to your "Snowday" pack for activities.
- I will be doing a weekly call-in just to say hello and to ask how things are going.
  - I will be calling from one of the school's phone numbers 715.672.4276 or 715.672.4277.
  - I will try to connect with you beginning Thursday morning April 2 between 8:00 a.m. and 10:00 a.m.
- The drop off and pick up location will be at Saint Mary's. At this time, the window for drop off and pick up is from 3:00-5:30 p.m.

We are working on how we can best serve you and synchronize information. Things may change as we move through this time apart. Thank you for your patience and understanding, stay safe and well.

God's blessings,

Mrs. Balts
