

Dear Parents,

The first date to drop off and pick up new homework is March 31st from 3:00 - 5:30 at Saint Mary's School.

Please return:

- Chapter 9 Math (please tear it out of their Math book)
- Chapter 9 Social Studies worksheet packet and Chapter Review
- Spelling Unit 27 (please tear it out of their book)
- If you brought home your animal report and typed it, you can return that as well.
 - Those of you that didn't get your rough drafts will get them on March 31st. These reports can be attached to an email or printed out. Whatever works for you. Our website will also have the assignments posted within 24 hours.

I will be checking in on my students with a weekly phone call starting April 2nd between the hours of 8:00 - 10:00 A.M. If they are home, I would love to chat with them for awhile. Otherwise I will leave them a message. I miss them already.

Art, Music, Phy-Ed: Please look in the "Snow Day" packet for your assignments. Mrs. Bullard also wants you to practice your pre-corders. Use the music you have in your black binders.

I wish all of you good health. Know that you are in my daily prayers. Father Emmanuel asked that each child say an Our Father, a Hail Mary, and a Glory Be each morning and night during this Lenten season. Please pray for the health of our community and the whole world. Stay safe!

God Bless,
Mrs Gruber
