

Parents,

I hope everyone is doing well!

In addition to the general letter from school today regarding faith, academics and service, I wanted to send an email to the families of my homeroom. Below is a list of assignments for the remainder of third quarter for middle school classes. These are due by March 31, 2020, and the end of third quarter will remain April 1. Pick up and drop off for paper assignments will be on Tuesdays at the Durand campus. Please feel free to contact me by email at any time with questions and/or concerns:

## Music

Band students should be practicing the music they have for the spring concert. Practicing at least 4 times a week for 15-20 minutes would be a good goal. For 6-8 grade this is "Oom-Pah-Pah" and the school song.

For all students, as you are listening to music over this break, please remember what Johann Sebastian Bach, one of the greatest composers in history, says about music: "The purpose to all music should be for the glory of God and the refreshment of the soul".

## Art

Refer to the snow day packets.

I will be checking my email often, and the Google classroom assignments with streaming messages will begin April 1.

Take care!

God Bless,  
Mrs. Weber
