Seventh Grade 5/5/2020

Happy May!

The year is wrapping up and in three weeks the students will be off for the summer! Today during the Google meeting with the 7th grade class, I gave them some final deadlines for the Science Fair Project and all of the instructions for each one are posted in the Google classroom:

- **May 8th – Final Research Paper**
- **May 12th – Presentation Script**
- **May 15th – Presentation Board**
- **May 19th – Presentation Video**

We will be posting a virtual science fair with their uploaded video presentations May 20-22 to the parish/school website. Please let me know if you have questions.

The students are doing a wonderful job logging in to the classroom and attending our online meetings. The following is a list of core class assignments for the week of May 6-12:

Science:

Chapter 4: DNA Code of Life – **Google meetings T/Th 5/5 & 5/7 @ 11AM to discuss**
