# ASSUMPTION Catholic School

January 18<sup>th</sup>, 2019

Dear Families,

In next weekend's reading from I Corinthians, Paul tells us we are "many parts but we are all one body" It's a great verse (and a fun song to sing) with a message that rings true not only to our parish family but is also relevant to our school. Though we are each a part of one body, the Spirit gives different gifts to each of us, all for serving God! At Assumption, our students are taught this each day along with the fact that there *should be no division in the body*, no matter what your "gift is" *all parts should have the same concern for one another, if one part suffers, all parts suffer with it., if one part is honored, all parts share its joy.* And although at times we wonder if this lesson is "sinking in" we are so blessed that we are able to teach and re-teach its message with its text based evidence! Thank you everyone who help make that possible! Thank you for our Catholic School.
