ASSUMPTION Catholic School

January 24, 2020

Dear Families;

As we enter into Catholic Schools Week 2020, I look with “wonder and awe” at the faith-filled people who have helped to lay the foundation of our school and to those that keep our school going: the priests, the staff, the parishioners, the committees, and most of all the families; all have made sacrifices, shared their time and their talents to build this treasure we have – an excellent Catholic School. On behalf of myself, our staff and our students, words cannot express the gratitude we have to the Tri-Parishes for this gift; it is truly the work of the Holy Spirit.

ATHLETIC NEWS:

- Good luck to our teams at Brains and Brawn! All are invited to join in celebrating Mass with the Bishop at 6:00 at St. Joseph the Workman Cathedral.

SCHOOL SAFETY UPDATE:

This past Tuesday, we were fortunate to have Ted Hayes, a consultant, author and national presenter on security assessments, intruder/active shooter training and management strategies. It was so informative and provided affirmation that our buildings are well secured. At the Lima campus, you will notice a new FOB locking system, this will allow greater security with easier access. This system was purchased with our second round of the Department of Justice Grant.

SCRIP: Instead of the usual credit/debit card or other money, use SCRIP! It's simple - using gift cards for everything you buy – groceries, gas, you name it! Your current TRIP amounts are enclosed.
