## ASSUMPTION Catholic School

October 1<sup>st</sup>, 2021

Dear Families,

Our ultimate goal in life, is the face-to-face vision of God in heaven for all eternity. In silent prayer this week, we reflected on the Theological Virtues of Faith, Hope and Charity. These are gifts of grace from God—they are given to us freely, not through any action on our part—and we are free, but not required, to accept and use them. In prayer, we asked the Holy Spirit to help us recognize these gifts and to use them daily for the sake of growing closer to Christ.

We also introduced the Cardinal Virtues. They are also called “*The moral virtues*”. Like all habits, they are acquired and grow through education, deliberate acts, and perseverance in struggle. They can, however, be diminished or lost by the repetition of acts that are opposed to the virtue. Also, when we fail to practice a particular virtue, it will gradually weaken and die.

We are so blessed to have our Catholic School and priests so, with you, we can assist your child in recognizing and growing in virtue; after all, we all want them to attain their ultimate goal – Heaven!

### **ATHLETIC COMMITTEE NEWS:**

Come for both games, or whichever works best in your schedule. Feel free to have your child make a sign, as we have quite a few ACS alumni on both teams! Thank you.

### **VIRTUE OF THE WEEK:**

This week the students were introduced to the **Cardinal Virtues** of **prudence, justice, temperance, and fortitude**. They are also known as the moral virtues. We know them as the cardinal virtues — the word cardinal meaning “hinge” — because on these qualities *hinges* the whole moral life. The cardinal virtues are habits that, when practiced and cultivated, allow us the ability to make right choices.
