ASSUMPTION Catholic School

May 28th, 2021

Another school year is quickly coming to a close, I pray that our students, especially our 8th grade students, continue to “know” Jesus. I also pray they will have the courage to continue to be His witnesses. I have seen their light shine here, and I pray their flame continues to be strong....many will try to smother it.

This week’s Family Envelope will be the last informational packet sent this year, so writing this note is bittersweet. I want to thank the staff at Assumption for their commitment and endurance through a challenging year. I wish them a rejuvenating summer. Thank you parents for entrusting your precious children to us, and take pleasure in the time you will have together this summer as a family! To the Home and School, Athletic and Education Committee members, thank you for your support and everything you did this year to make our school a great place to be; we wouldn’t be able to do what we do without you – thank you all.

We interviewed some really good candidates for our 7th grade position. I will keep you posted on our selection. Our 5th grade position has been filled by Mr. Overby who is a familiar face at Assumption, so we welcome him back for another year. This fall, we will also be welcoming **several new families** to Assumption, and of course we always look forward to seeing all of you as well; **enjoy your summer and may God Bless you all.**
