ASSUMPTION Catholic School

May 7th 2021

Dear Families;

As we celebrate Mother's Day on Sunday, I thought I would share this "*Newborn's Conversation With GOD*"

A baby asked God, "They tell me you are sending me to earth tomorrow, but how am I going to live there, being so small and helpless?"

God said, "Your angel will be waiting for you and will take care of you."

The child further inquired, "But tell me, here in Heaven, I don't have to do anything but sing and smile to be happy."

God said, "Your angel will sing for you and will also smile for you. And you will feel your angel's love and be very happy."

Again the child asked, "And how am I going to be able to understand when people talk to me if I don't know the language?"

God said, "Your angel will tell you the most beautiful and sweet words you will ever hear, and with much patience and care, your angel will teach you how to speak."

"And what am I going to do when I want to talk to you?" **asked the child**

God said, "Your angel will place your hands together and will teach you how to pray."

"Who will protect me?" **asked the child**

God said, "Your angel will defend you even if it means risking its own life."

"But I will always be sad, because I will not see You anymore."

God said, "Your angel will always talk to you about Me and will teach you the way to come back to Me, even though I will always be next you."

At that moment there was much peace in Heaven, but voices from Earth could be heard and the child hurriedly asked, "God, if I am to leave now, please tell me my angel's name."

God said, "*You will simply call her, 'Mom.'*"
