ASSUMPTION Catholic School

September 16th, 2022

Dear Families,

We had a fun week of “Achiever calls”! Our last “call” was today, so the students will be bringing their “Achievers” home. I have to hand it to you parents, I witnessed many students demonstrating the Virtue of Gratitude; a virtue that we can apply to big things and little things. We practiced, and I witnessed, the Virtue of Courtesy and how using our manners in every situation is practicing this virtue. I witnessed students sharing their “achievers”, and sharing their “achiever rewards”. We are so delighted to be working with you in the formation of your child’s virtue filled life.

Magazine Plus Sale: Thank you to Chelsa Wayne and the Home and School for making it a fun week of "Achiever Coop" calls. Sales and profit margins will be published when tallied. Magazines ordered will come to your home and the other deliveries will be given to you at Parent/teacher conferences to distribute.

SERVER TRAINING:

Next week, Father Emmanuel and Father Reither will be training the 4th grade students to serve at Mass. They did serve at Holy Rosary last year so this will be a "renewal" for them. They will also have the opportunity to start helping with the weekend Masses! The priests will also work with the 3rd grade class, training them as an introduction to this important service. The third grade students will only serve school Masses on Thursdays at Holy Rosary.

VIRTUE OF THE WEEK:

HOPE

This week, our students learned of the Theological Virtue of HOPE. God keeps His promises and this gives us hope, comfort and provides us an anchor. Anchors keep boats in place through bad weather, and that is what God does for us. **From Jeremiah 29:11** "*For I know well the plans I have in mind for you—declares the LORD - plans to prosper you and not to harm you, so as to give you a future of hope.*" Let us pray that God increases our Hope.
